## Part of Our Dorset Pumpkin Patch

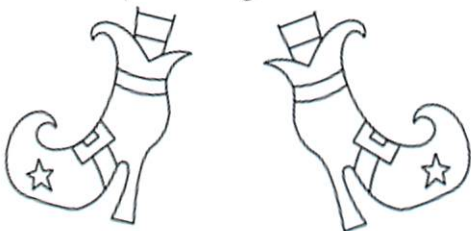

Here's your chance to participate in our 2nd costume SWAP (exchange)!

Send your pre-loved HALLOWEEN costume(s) to school with your child, in a closed bag with the tag below attached to the bag **before the deadline** THURSDAY OCTOBER 4th.

For every costume you send in, you will be entitled to pickup a FREE costume during our Pumpkin Patch Family Event. The selection will depend on what parents donate, so there are no guarantees...however we are trying to offer Dorset parents a chance to swap costumes.

For parents who have nothing to donate, they will have the chance to buy these costumes at a reasonable price, if there is availability beyond those wanting to SWAP.

We hope to REDUCE, REUSE and RECYCLE...while also working to keep down your costs for this upcoming Halloween!

**Please note that at the end of our event,  
remaining costumes will be donated to a local charity.**
