

YES, I WOULD LIKE TO BECOME A HOME AND SCHOOL MEMBER

I understand that as a Home & School member, I can be as active in Home & School as I wish.

I understand that if I choose, I can be involved in planning and executing special events with other Home & School members – parents like myself as well as teachers and staff.

I understand that as a Home & School member, I have the right to vote at all Home & School meetings on issues that affect not only my child/children but all the children of Dorset.

I believe that it is important to support Home & School and would like to show my support by joining today.
