## The Dorset Home & School Newsletter

Hello Dorset Parents and Kids!

Welcome to Issue # 2 of the new Dorset Home & School Newsletter.

We're just a few short days away from the Holiday Fair, with dozens of volunteers set to make it another great day for school fun (and fun-draising). Please make sure you join fellow parents and kids this **Saturday, November 24th from 11:00am-2:30pm.**

We'll have a ton of food, crafts for the kids to do, and games - not to mention some **great prizes (a new bike, restaurant gift cards, a free week of soccer camp, free sailing lessons and much more).**

For those of you who missed Issue #1 and what The Loop is all about...you'll receive The Loop each month, consisting of short articles along with key dates that you can post on the fridge.

And to make sure you are truly up-to-date, it's also a great idea to join the Facebook page at **[www.facebook.com/groups/DorsetHomeandSchool](http://www.facebook.com/groups/DorsetHomeandSchool)**. To make sure you don't miss any news, make sure you have Notifications turned on:

### Notes from the Co-Presidents

- Our next **Home & School Association meeting will take place Tuesday, November 27th at 6:30pm** at the school - please join us as we always welcome new parents and new volunteers for our various activities throughout the year
- A huge thank you to all the volunteers who've been working tirelessly for this year's **Holiday Fair** - we'll soon have an update on the amount of funds that were raised. Remember, 100% of the funds raised go directly to the students and the school - so see you at the fair this Saturday!
- The first pizza lunch was a hit, with new compostable boxes being put to good use. Reminder - the **next sub lunch is November 21st**, while the **next pizza lunch is November 26th**.
- Many parents may not know what the Home&School Association provides... just one example: **The Association raised \$2000 for the purchase of a variety of Apps** for the iPad program last year, with **an additional \$2000 set for this year**. More examples to come in future editions of The Loop!
