

oliver's labels

Hello Dorset Community,

If you have not heard already, our Home and School Association has paired up with Oliver's Labels for a fundraising campaign.

Even though the school year has started and all of our children's school supplies are labelled, fall and winter are fast approaching.

By ordering through our custom referral link www.oliverslabels.com/dorset you not only help make sure all of your children's sweaters, jackets, mitts and boots stay out of the lost and found, but Dorset Home and School Association earns 20% of the sales.

So if you're looking for a custom, quality product to keep your children's belongings coming home, considering using Oliver's Labels and give back to your Home and School Association at the same time.
