

CLEANLINESS

SEPTEMBER-OCTOBER 2018 we will examine the ways we can practice the Virtue of Cleanliness. THE VIRTUES PROJECT™ Educator's Guide defines Cleanliness as "washing often, keeping your body clean and wearing clean clothes". In our assembly and during Virtue Buddy readings, the following is a summary of the subjects covered:

- We flush the toilet every time we go to the bathroom!
- We wash our hands every time we go to the bathroom and before we eat!
- We wash with soap and water every day!
- We brush our teeth every morning and night!
- We brush and comb our hair every morning!
- We keep our space at school and home clean and neat every day!
- When we are old enough, we use deodorant every day.
- We keep our language respectful and clean!

We will emphasize that when we consistently practice Cleanliness in these ways, we show self-discipline and respect for ourselves, and we make it pleasant for others to be around us.

Our quote of the month:

KEEP IT CLEAN!
