# GOALS OF THE ANTI-BULLYING AND ANTI-VIOLENCE (ABAV) PLAN

- Outline the responsibilities of all parties towards the elimination of bullying and violence in the school community, including the responsibility of parents to promote a positive and respectful school climate inside and outside school.

- School boards must see to it that each of their schools provides a healthy and secure learning environment that allows every student to develop their full potential, free from any form of bullying or violence.

- School boards must also ensure a healthy and secure working environment for their staff, and the staff must participate in ensuring a safe and respectful working climate.

- The plan is designed to support the optimal conditions required to guarantee the fundamental right to dignity, equality, and integrity, while respecting the unique character of each individual.

## School Community Parties:

Students, Staff, School Administration, School Board, Governing Boards, & Parents.

## School Partners:

# DEFINITIONS as applied in ABAV

## Bullying

- “the word “bullying” means any repeated direct or indirect behaviour, comment, act, or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a **power imbalance** between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes” ([art. 13, par. 1.1, QEA](#)).

## Violence

- “The word “violence” means any **intentional** demonstration of force of a verbal, written, physical, psychological or sexual nature which causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property” ([art. 13, par. 3, QEA](#)).

## Sexual Violence

- “The concept of sexual violence refers to any form of violence committed through sexual practices or by targeting sexuality, including sexual assault. It also refers to any other misconduct, including that relating to sexual and gender diversity, in such forms as unwanted direct or indirect gestures, comments, behaviours or attitudes with sexual connotations, including by technological means.”

# 1. ANALYSIS OF THE SITUATION

## Description of the findings that emerge from the situation analysis with respect to bullying and violence

The Data derived from the Our school survey was not made available this year. That said, the school went ahead with using two surveys designed to elicit meaningful conversations in classrooms regarding issues surrounding bullying and conflict as well as issues relating to belonging and connection at school. Students were asked to consider and identify strategies that they could use to deal with these types of issues as they arise. Class conversations were had which included teaching the students about what to do if they experienced or witnessed bullying, intimidation or conflict in general.

Teachers were encouraged to experiment with different forms of check ins in order to have meaningful conversations about wellness. This allowed areas of concern to be flagged for targeted interventions in some situations and helped students talk about their feelings in a safe and supported space. Our internal results indicate strong engagement.

## Priorities identified with respect to bullying and violence

- Continue to use smaller surveys to take a pulse more often.
- Design and apply a short survey for grade 3.

-establish grade level focus groups at cycle 3 to look at the data.

## 2. PREVENTION MEASURES

*The ABAV plan must include prevention measures to put an end to all forms of bullying and violence, in particular those motivated by racism or homophobia or targeting sexual orientation, sexual identity, a handicap or a physical characteristic. Additionally, LBPSB sanctions its schools and centres to carry out measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.*

Obligations of the QEA

### 3. MEASURES TO ENCOURAGE PARENTAL COLLABORATION

Parents are valuable partners and it is important to work together when it comes to taking action to prevent and stop bullying and violence. It is together that we can find the solutions. This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

Measures encouraging parent(s)/guardian(s) collaboration in preventing and stopping bullying and violence and in creating a healthy and secure learning environment.

- The Code of Conduct and the ABAV Plan will be made available to parent(s)/guardian(s); it will be posted on the school website.

The measures to protect the confidentiality of any report or complaint concerning an act of bullying or violence are:

- Staff are reminded annually that every incident and the ensuing follow-up must be kept confidential.
