Commission scolaire
Lester-B.-Pearson

Monday, April 23, 2018

Dear Parent(s) / Guardian(s),

All schools in the Lester B. Pearson School Board were closed on Monday, April 16th because of inclement weather (ice storm). As a consequence, the Dorset professional day originally scheduled for June 4th has been converted to an instructional day.

Be advised that our bus carriers have been informed of this change and transportation services will be provided to eligible students.

Respectfully,

Natalie Maurice
Principal
Dorset
