• KIDCHEF ASIAN CUISINE

Join our chef as she takes children on a culinary journey preparing Asian delights for everyone to enjoy! Our junior chefs will be able to make and sample a number of different dishes, including General Tao chicken, wonton soup, maki, Vietnamese spring rolls, fried dumplings, vegetable stir fries, and more! Basic food preparation techniques, kitchen safety and nutrition will also be taught. CHILDREN WILL LOVE THIS HANDS-ON APPROACH TO COOKING AND EATING! All supplies provided by Enfant & Compagnie. *no nuts or pork

TUESDAYS Cost: \$95/ 8 weeks
(all levels)

• DINOSAUR DISCOVERY

We're climbing aboard our time machine and setting it to the year 150,000,000 B.C. Our mission? A DINOSAUR DISCOVERY! In this very interactive course, our "mini" paleontologists will create their own fossil imprints, participate in a fossil dig, and design a dinosaur diorama and a paper mosaic project, all while getting to touch and feel dino skeletons, true-to-size dino claws, bones and teeth! Get ready to learn about Tyrannasaurus rex, Stegasaurus, Diplodocus, Pterydactyl and more!

TUESDAYS Cost: \$95/ 8 weeks
(K-grade 3)

• CHEERLEADING

Cheerleading is a great way for children to maintain an active lifestyle. They will master stunts, jumps, chants and cheers, and at the same time, they will learn about teamwork, trust and cooperation. With their teacher as their coach, their skills and confidence grow. Stunts and movement teach coordination and balance, while the team environment helps build trust among the class.

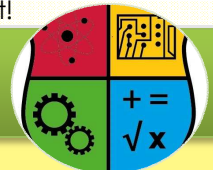

WEDNESDAYS Cost: \$95/ 8 weeks
(grades 2-6)

• KIDSCIENCE: S.T.E.A.M. CHALLENGE

The ultimate fusion of our infamous science experiments! SCIENCE, TECHNOLOGY, ENGINEERING, ART, and MATH! We will create, we will build, we will design and we will challenge ourselves to our full capacity! Our junior scientists will create their very own musical instrument, build bridges and make a few explosions to say the least! Other projects include robotic challenges using a wide variety of material and components as well! Put your inquiring mind to the test, our challenges and creations will be the best!

WEDNESDAYS Cost: \$95/ 8 weeks
(all levels)

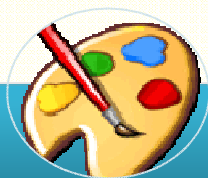

• WORLD ART STUDIO

Join us as we create amazing masterpieces from around the world! Formal drawing elements such as line, tone, shape, design, perspective, composition and portraiture will be taught.

Children will explore multiple mediums such as pencil crayons, charcoal, water color pencils, oil pastels, and markers. This class strongly promotes CREATIVE INDIVIDUALITY!

THURSDAYS Cost: \$95/ 8 weeks
(grades 2-6)

• BOOT CAMP

Boot Camp classes will help children to increase their cardiovascular and muscular strength through fun fitness exercises combined with circuit style training. The children will develop muscular endurance by practicing plyometric games and using their own body as their main tool of exercise. Helps children to adopt a healthy lifestyle while they have fun!

THURSDAYS Cost: \$95/ 8 weeks
(all levels)
