

## Halloween 2017

This year at Dorset Halloween will be even more festive as everyone is invited to dress up! However, there are a few guidelines to follow. Wearing a costume to school is not mandatory so do not feel obliged.

### Costume guidelines:

- Absolutely no masks or anything that covers the whole head (face paint is o.k.)
- Unattached accessories are not encouraged as they can be lost or misplaced
- No costume weapons (Ex. swords, toy guns, etc.). If a costume weapon is brought to school it will be confiscated.
- Nothing inappropriate, too scary or elaborate as we have students as young as 5 years old in the school.
- When the bell rings and it is time to go home at the end of the day (Bus, daycare or pick up) your child must have all the items of their costume with them. No child will be allowed back in the school to get something they forgot.
- **NO TREATS OF ANY KIND** (i.e. baked goods, candy, chocolate, etc.)

We are also participating in the Leucan Halloween Money Box Campaign. This is optional, but if you choose to participate, we ask that you return your money box on November 1<sup>st</sup>.

Looking forward to a fun Halloween!

- The Dorset Halloween Committee
