# YEARBOOK PHOTO PERMISSION

Every year, Dorset puts out a full colour yearbook.

Each grade is represented in the book, and we try to include as many events and memories as we can, as well as make sure every child appears in the book!

Please let us know if you agree to have your child's picture published in this year's book.

Please note that this permission includes having your child's photo appear ONLY in the yearbook, and DOES NOT give permission for your child's photo to appear on our website or on our Facebook page.

YES! I would like to see my child's photo in the yearbook
